SUBJECT: VaARNG/VaANG Vacancy Announcement Number WMD-02-03

Treatment including curative and palliative measures. Provides information on the scope of the hazard including real or potential after-effects.

Recommends a triage system based on the type of hazard and the

number of estimated victims. Estimates casualty numbers. Discusses the number and types of medical personnel that will be required both at the incident site and at the involved healthcare facilities to provide casualty care. Estimates the number and type of healthcare beds needed for victims. Identifies available follow-on medical support that may be of assistance to the Incident Commander or other DOD response element. Advises the Incident Commander on releasable medical information. Responsible for providing basic medical care for the WMD (CST) while deployed to an incident site.

(ARMY) Eligibility Requirements/Information for AGR Tour:

1. Must be a member or eligible to become a member of the Virginia Army National Guard. Selected individual must extend/enlist for a period equal to the AGR tour.
2. Must meet medical standards prescribed by Chapter 2, AR 40-501 and physical standards prescribed by AR 600-9.
3. If not already AGR, the individual must be eligible to complete a minimum of five (5) years in AGR status immediately prior to his/her mandatory separation date or prior to completing 18 years of Active Federal Service.
4. Individual must not be eligible for, nor receiving a federal military retired or retainer pay, nor federal service annuities.
5. Individual must possess or be able to obtain appropriate security clearance.
6. Must not be a candidate for elective office, holding a civil office (full or part-time), or engage in partisan political activities as defined by DoD Directive 5500.7, Joint Ethics Regulation.
7. Applicant selected will be subject to State Military Justice procedures/statutes and State Civil Laws/statutes, as appropriate, when serving under provisions of Title 32 U.S.C.
8. Applicant must meet other eligibility requirements for AGR service under the provisions of AR 135-18 and NGR 600-5.

**(AIR) Eligibility Requirements/Information for
AGR Tour**

1. Must be a member or eligible to become a member of the Virginia Air National Guard.

VAHR-M

SUBJECT: VaARNG/VaANG Vacancy Announcement Number WMD-02-03

2. Member must not have been previously separated for cause from active duty or a previous AGR tour.

3. Member must meet the physical qualifications IAW AFI 48-123. Individual must have a current physical examination within 12 months before the date of entry on AGR tour.

4. Any member on the ANG Weight Management Program is ineligible to enter AGR status. This does not include the probationary period after the loss of

weight to satisfy standards. Members must meet the weight requirements at the time they are placed in the AGR program.

5. Member's military grade cannot exceed the maximum military grade authorized. Over grade member must indicate in writing, willingness to be administratively reduced in grade when assigned to the position.

6. Applicant must have been awarded the appropriate skill level and possess the announced AFSC upon selection for AGR duty. If no qualified applicants are identified, then selection may be made based on the experience and

potential of those applying. In this situation, the applicant must agree to retrain following the procedures outlined in ANGI 36-101, para 3.6.

7. Must be able to serve at least 5 consecutive years in the AGR program prior to eligibility for military non-disability retirement of retainer pay.

8. Tour length will be a minimum of three years. Tours may not extend beyond an officer's MSD (Mandatory Separation Date).

9. Be able to complete 20 years of active federal service prior to MSD for officer and age 60 for enlisted members.

10. Applicant receiving or eligible to immediately receive a federal retirement annuity and a state annuity for service as National Guard technicians are not eligible for entry on an AGR tour.

11. Must pass the Army Physical Fitness Test.
